A Grimehouse Studios programme covering DJ skills, performance and industry knowledge.
Four weekly classes, Tuesdays from 6pm to 8pm.

WEEK 1 / FOUNDATIONS

MODULE 1 / History of DJing & equipment

The DJ's role and history; understanding players, mixers, connections, basic setup and signal flow.

MODULE 2 / Beatmatching & cueing

BPM, pitch, jog wheel control, headphone cueing, dropping on the first beat and matching tracks.

WEEK 2 / MIXING

MODULE 3 / The art of mixing

Phrasing, levels, EQ, musical keys and building smooth, well-timed transitions.

MODULE 4 / Genres, BPM & creative techniques

Musical styles and tempos; effects and creating loops on the fly.

WEEK 3 / PERFORMANCE

MODULE 5 / Building a set & reading the crowd

Track selection, pacing, set structure, energy management and adapting to a room.

MODULE 6 / Recording a demo mix

Recording setup, sound quality, tracklists and preparing a presentable demo.

WEEK 4 / THE INDUSTRY

MODULE 7 / Professionalism & the business of DJing

DJ etiquette, working with venues and promoters, fees, scheduling and contracts.

MODULE 8 / Branding, marketing & final DJ set

Artist identity, promotion, event planning and performing a prepared final set.

DJ FINAL EXAM NIGHT

ONE WEEK AFTER THE FINAL CLASS

Your final practical exam is a live DJ set performed for an audience.

Showcase the skills you developed during your four-week course.

Friends and family are all welcome to attend and support you.

The exam night takes place one week after your final classroom lesson.

Includes 8 hours of extra solo practice time (advance booking required).
